Participante con Discapacidades

Niños y adolescentes con discapacidades pueden registrarse para los programas más apropiados para su edad, sus necesidades y su nivel de competencia. Americans with Disabilities Act

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), or if your child has a 504 plan or IEP at school, please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-4925).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program*. Companions may not be available every session.

Unavoidable Changes

Due to circumstances beyond our control, the Recreation Department may need to change the starting date of a program or move a program to an alternate site. Parents will be notified of all changes.

Program Cancellation

The Recreation Department reserves the right to cancel any camp or program that does not receive sufficient enrollments. *Register early to avoid having your program choice cancelled.*

Becoming a Leader Volunteer Opportunities

The mission of the teen volunteer program is to train teens to become recreation leaders and to provide assistance to our summer programs. Teens are given the opportunity to enhance leadership skills, develop communication skills, and increase confidence while working with children. Student Service Learning hours may be earned upon the successful completion of the program.

Responsible teens that are able to make a two-week commitment (three weeks for Summer Fun Centers) are placed on the basis of interest, skill, location preference, availability, and ability to attend the required training.

Teen volunteers are needed in Therapeutic Recreation as Mainstream Companions to campers with disabilities as well as Therapeutic Recreation camp assistants. Call the Therapeutic Recreation team at 240-777-4925.

For more information or to receive an application, call 240-777-6985.
